Dear Parents and Carers

Sri Lankan Orphans Fundraising

Assalamu Alaikum, I hope and pray this letter finds you in the best of health and *Imaan*.

I would like to take the opportunity to introduce myself to you as the Preston Muslim Girls High School Spirituality / *Tarbiyyah* Coordinator. I am available to support both pupils and parents on any issues relating to their Islamic development as they grow into fine Muslim women to lead our future generations IA. If at any point you would like to discuss any such related matter with me, then please do get in touch with me via the School Office.

Now that we have returned to school, we have immediately launched our fundraising commitment for the Sri Lankan Orphans. Through the mercy of our lord, we lead secure privileged lives here in Britain, and so we want to keep the less fortunate in our thoughts and prayers at all times. One of the ways to do this is through our pupils fundraising so that we can put our concerns into action and fulfil the Sunnah of the Holy Prophet (pbuh).

We are now in the third year of our Sri Lankan Orphans Programme, each form supporting a named orphan, with a total of 18 orphans *Alhamd...*, and the pupil donations over the years have made a huge difference. I am therefore writing to remind you to encourage your daughter/s to raise a minimum of £12 each. More than this amount will be wonderful. We have provided each pupil with a donation collection box for them, to be returned by the end of this month.

The School thanks you for your continued support and generosity in helping us fulfill our vision of nurturing our pupils and creating one big global family.

Yours sincerely,

Dr Bokhari
Tarbiyah Co-ordinator
