Dear Parents and Carers

Parent Update

Assalamu Alaikum, I hope and pray this letter finds you in the best of health and Imaan.

I am writing to keep parents in touch with the school and the plans that are being made. I am sure that you are wondering whether, or when, the school may reopen for our Year 10 pupils, in line with the statement recently made by the Prime Minister. Our key consideration in this time of crisis is to ensure that we do not do anything to jeopardise the health and safety of pupils and our staff and in this I will be guided by advice from the government, from the Teacher Professional Associations and from NHS England. Therefore, at the moment I am not able to confirm a date for a phased reopening of the school but will inform you as soon as any such decision is made.

There will be a need in the near future for us to hold some Staff Inset Days for staff to move into the new school building. I had intended this to be on Monday and Tuesday, June 1st and June 2nd 2020 but this will not now take place and the normal Microsoft Teams sessions will take place from June 1st. I apologise if this has caused any confusion. As soon as we are informed by the builders that we are able to move into the new school building I will confirm the dates for the Inset Days with you.

Next week is half term holiday and this will be same as if the school had broken up for the week. Lessons will not take place during this period and pupils and parents should use this time for leisure and exercise, as you normally would.

Can I take this opportunity to send my best wishes to you and your family as this blessed month of Ramadhan comes to an end. Please have a wonderful Eid and a restful half term holiday. May the Almighty shower you with his blessings and, with his guidance and support, we will find a way through this.

Eid Mubarak!

Yours sincerely

Mufti Javid
Headteacher
