Dear Parents and Carers

## First Week Update

I am writing to say how well your daughters have done in their first week back at school. Our pupils have been away from school for such a long time and there have been many changes that they have had to get used to, such as about staying in your zone and managing personal hygiene and spacing. They have all done incredibly well and they deserve congratulations on their mature and sensible approach which has made the start of new term go so smoothly.

In addition, I am pleased to see that most parents have followed my advice about not driving in front of the school at pick up and drop off times. You will save yourself from getting stuck in the traffic if you arrange to pick your daughter up a few streets away and let her walk to school from there. Please remember that the No Stop Zone covers the whole of the area in front of the school: for the safety of all of our pupils, please do not stop here at all.

We have a busy and active term ahead of us and I am greatly encouraged by the start our pupils have made in this first week. Their calm enthusiasm and their clear delight in being back at school is a credit to them and their attitude to their learning.

Thank you for your ongoing support.

Yours sincerely

Mufti Javid  
Headteacher
