Dear Parents and Carers

**Remote Learning and Attendance Update**

Assalaamu Alaikum, I hope and pray this letter finds you in the best of health and Imaan.

I am writing to thank you for everything that you have done to make a successful transition to online learning, made necessary by the current lockdown of schools. It is vitally important that we maintain a high quality of learning for all of our pupils and that they continue to make good progress while they are studying remotely. Attendance at lessons is compulsory and is monitored at **Form Time** and in every **Lesson**. Those pupils not in attendance are being contacted by my Pastoral Team to enquire into the reasons for any absence. If your daughter is unable to attend her lessons at any time because of illness please inform the school about her sickness absence first thing in the morning in the normal manner. We will communicate this to her teachers. From next week I will be calling into school any pupil who is not attending lessons and is not learning effectively from home. These pupils will be required to be in school for the remainder of the lockdown period where they will be supervised whilst they access their online lessons from within school.

During the last lockdown we kept in contact with our parents to make sure that pupils were successfully accessing their remote learning and that they were able to maintain their wellbeing. We did this through surveys and by phoning every household on a regular basis. From next week I will be asking my staff to make contact with you so we are aware of any issues that you may be facing and can offer you timely support.

I appreciate that there are many challenges in making remote learning a success and I would like to thank parents, pupils and staff for the efforts that you are all making. With the grace of the Almighty, IA, we will see a safe and speedy conclusion to our current situation.

Please stay safe, keep others safe and remember us all in your prayers.

Yours sincerely

Mufti Javid  
Headteacher
